Manufacturer's Declaration

in accordance with EC Pressure Equipment Directive 2014/68/EU (PED)

The quick connect couplings/fittings, which will be delivered from Parker Hannifin Manufacturing Germany GmbH & Co. KG, Low Pressure Connectors Europe (location Nussdorf) do not need any conformity declaration as they do not exceed the indicated limits for working pressure and nominal diameter according to the Pressure Equipment Directive 2014/68/EU article 3 "Technical requirement". This is essential for:

- couplings with nominal diameters up to 25 mm for fluids of groups 1 and 2
- couplings with nominal diameters over 25mm up to 32 mm only for fluids of group 2
- couplings with nominal diameters over 32 mm only for liquids of group 2

A CE marking according to 2014/68/EU (PED) may therefore as per article 3 (3) not be effected.

By the certification of Parker Hannifin Manufacturing Germany GmbH & Co. KG, Low Pressure Connectors Europe according to DIN EN ISO 9001 will be guaranteed, that the couplings and plugs will be designed and manufactured in accordance with the sound engineering practice of Germany as claimed by the 2014/68/EU (PED) for pressure equipment below the limits (Article 3 (3)).

Member States shall not, on grounds of the hazards due to pressure, prohibit, restrict or impede the placing on the market or putting into service of pressure equipment or assemblies which comply with Article 3 (3).

i.V. Tobias Sigmund

Location Engineering Manager
