BHF is a CSA Certified Factory Authorized CNG high pressure hose assembler that specializes in supporting the CNG vehicle fueling market. Our specialty is building custom CNG Twinline Hose assemblies with quick turnaround times. We stock large quantities of CNG single line and twin line hose along with a large selection of Parker O-Ring Face Seal and A-LOK adapters, and Snap-tite breakaways and nozzles. BHF can do everything from making custom tube fabrications to designing and building time fill poles with our integrated manifold and installing the time fill poles in the field.

Parker Fluid Connectors Group

North American Divisions & Distribution Service Centers
