## B40145

### LUBE SPIN-ON

Baldwin Filters' B40145 Lube Spin-on, an upgrade to the popular BD50000, allows for extended service intervals. The B40145's performance leads to increased fuel efficiency, helping your vehicle meet new emissions standards.

The B40145 provides superior engine protection with increased contaminant removal efficiency and dirt-holding capacity throughout the extended service interval.
