

BALDWIN PRODUCT PICK

BF46233

FUEL SPIN-ON

Whether your route takes you out and back the same day or on the road for weeks at a time, the Baldwin BF46233 Fuel Spin-on filter is designed to remove damaging contaminants from your fuel.

The opportunity for contamination in the fuel system exists even before you put fuel into your truck, so use the BF46233 to remove contaminants before they cause a problem.
