

BALDWIN PRODUCT PICK

B40154

LUBE SPIN-ON

Baldwin's B40154 Lube Spin-on is designed to clean oil in off-highway applications using Cummins QSK45, QSK50, QSK60 and QSK78 engines.

The B40154 provides protection with superior dirt-holding capacity and the durability to withstand pressures created in cold start situations.

The B40154's performance leads to increased fuel efficiency, helping your vehicle meet the latest emissions standards.
