

BF46122

Fuel/Water Separator with Drain

NEW RELEASE

Construction and agricultural equipment work in very dirty environments. They need heavy-duty fuel filters to allow them to work with the cleanest fuel. The Baldwin BF46122 removes particulates and water efficiently, and has the high contaminant holding capability needed to last through the entire OE recommended service interval without unplanned downtime.

APPLICATIONS

Excavators, Sprayers, Telehandlers, Tractors with Deutz Engines

CROSS-REFERENCE
