## BF46159

### FUEL SPIN-ON WITH OPEN PORT

Baldwin's BF46159 Fuel Spin-on with Open Port is designed to protect John Deere tractors.

The BF46159 features anodized aluminum threads, which are stronger and more dimensionally stable than plastic threads that can shrink or swell with humidity changes, heat and other environmental factors. The BF46159 fuel spin-on with open port is compatible with OE bases, bowls and filter drains/sensors.
