

## BF46182-O

Fuel/Water Separator Spin-on with Open End for Bowl

### NEW RELEASE

Diesel fuel can have many kinds of contaminants which can slowly destroy highly sensitive fuel system components over time. The Baldwin BF46182-O fuel/water separator spin-on filter with open end for a bowl is designed to remove those potential damaging contaminants, protecting your fuel system at the industries highest levels. Efficiently removing contaminants, down to 4 microns, and removing water from the fuel will keep your trucks moving and not sitting in the shop for repairs or on the side of the road.

### APPLICATIONS

Mack, Volvo North America Trucks

### CROSS-REFERENCE

Mack 22094987;  
Volvo 21764964
