## PF46174 KIT

### FUEL FILTER KIT

Baldwin's PF46174 KIT is designed to clean fuel in 2017-22 Ford® F-250, F-350, F-450 and F-550 Super Duty, and F-650 and F-750 trucks with 6.7L turbo diesel engines.

The PF46174 KIT includes a pre-filter panel element and an in-line final fuel filter. The in-line filter includes a fuel return port to aid in priming the system.

The PF46174 KIT efficiently removes contaminants down to 4 microns and is designed with superior water removal to prevent corrosion in the fuel system.

To keep your truck running smoothly, utilize the Baldwin PF46174 KIT and check [baldwinfilters.com](http://baldwinfilters.com) for additional filters for these engines.
